About

Rising Tide, Phase 1 (2021 to 2023)

Supporting BC's island and rural coastal businesses to thrive with local creative Talent.

As a non-profit program founded by **the Rural Islands Economic Partnership**, *Rising Tide Business Services* first launched in July of 2021 through the concept of a 'rising tide lifts all boats'.

Rising Tide helps BC's small, rural, remote coastal and island businesses move successfully through the frustrations of working in an ever-changing digital environment by providing cost-effective solutions to help grow their business.

By offering an approach that responds to non-profit and small business challenges, we:

- Tailor high-end services, such as SEO and Google Ads, for small budgets (reducing cost, ensuring proper set-up).
- Remove common tech challenges in the design, maintenance and support of an online marketing plan.
- Use the latest technologies and tools to enable strategic marketing plans (AI, cost-effective solutions).
- Create scalable solutions for websites and ecommerce.
- Provide efficient Client Account Management and support for strategy.
